

Sports Travel and Tours Baseball Stadium Hall of Fame

“ My dream is to see a game in every Big League ballpark! ”

We heard so many of our fans say this...so we developed the exclusive Passport to Baseball. Your passport will include all 30 Big League parks and each time you visit a park on a Sports Travel and Tours group or independent trip you will receive a passport stamp that authenticates your visit.

Once you hit all the ballparks, Sports Travel and Tours will invite you to Cooperstown to be inducted into the Baseball Stadium Hall of Fame during Induction Weekend.

Your weekend will be filled with memories—from your visit to the Baseball Hall of Fame, to a walk down Main Street in Cooperstown with all the various baseball shops, to your induction ceremony in “The Hall’s” Bullpen Theatre. You’ll even have VIP seats at the Induction Ceremony. Along the way you’ll get to mingle with other baseball fans, some Hall of Famers, your friends from Sports Travel and Tours, and probably “run into” several former Big League players.

Featured in the photo above, the “Class of 2009” who visited all 30 ballparks and were inducted into the Baseball Stadium Hall of Fame in July 2009. Our Hall-of-Famers come from all walks of life, but they all have one thing in common. They are all baseball fans who have experienced the magic of visiting all 30 ballparks and the dream of being inducted into the Baseball Stadium Hall of Fame!
